President's Welcome

On behalf of the Space Coast Art Festival Board of Directors, we welcome you to our 57th Space Coast Art Festival.

Our mission is to host an annual fine arts exhibition during the Fall of each year to cultivate and promote fine arts on the Space Coast. This year's event features Juried Artists from all over Florida and the United States.

We would like to especially thank our Art Festival Sponsors, Community Partners, and Volunteers for their time and commitment to this wonderful cultural event!

Enjoy the Show!
Deanne Hansen
Acting President

About the Artist Selection Process

The Space Coast Art Festival uses both Jurors and a Judge. All artistic entrants in our annual show submit four images of their work plus one of their booth. In August of each year, the Jurors come together to view the work of all entrants to determine if the entries are original works of fine art and that they fit in with the quality of our show. The Jurors vote in private and then the scores are tabulated. Not every entrant makes the cut and those that do are truly outstanding.

To be considered as a SCAF Judge, candidates must have an MFA (Master of Fine Arts) plus an incredible amount of life experience, have received numerous awards for their work, and have experience in judging art shows. We look for Judges who are knowledgeable in many different art disciplines and can give our artists a positive experience.

Meet this year's Judge - Jordan Massengale

Canadian-native Jordan Massengale (Professor, Foundation Studies, 2015-present, Savannah College of Art and Design, Savannah, GA) has taught painting and drawing at several colleges since 1996, spending a portion of his time painting and teaching privately in Italy and Canada. He has exhibited internationally and his artwork is in many private collections. Massengale has an MFA in Art from the University of Miami.

About the Show

The Space Coast Art Festival is a Juried Master Fine Arts Show, drawing artists from throughout the United States and other countries. Originally held in the City of Cocoa Beach for its first fifty years, the Festival relocated to Port Canaveral in 2014 because of construction in the downtown Cocoa Beach Area. After two years, the Port withdrew their invitation due to cruise traffic and parking issues and the City of Cape Canaveral offered to host the show at Manatee Sanctuary Park. Once again due to limited parking availability for the

convenience of our attendees, the Space Coast Daily Park in Viera was chosen for the 2019 show. That same year, The Avenue® Viera invited SCAF to relocate to their spacious site, which we expect to be our beautiful home for many years to come!

Artists exhibit in 10 different categories, and SCAF recognizes Outstanding Artists with Cash Awards. In conjunction with the Festival, a Student Art Show is held featuring “Budding Artists” from Brevard County Schools, also competing for cash prize awards.

Invitation to Volunteer

The 57-year success of the Space Coast Art Festival is due to the continued support of our wonderful Volunteers. If you would like to be involved with the 58th Festival in 2023, please visit this year’s Volunteer Booth during the festival, or contact SCAF by calling our office at 321-784-3322. You may also contact us by visiting the Volunteer page on our website: www.spacecoastartfestival.com. Come join the fun, get a free Volunteer T-Shirt, and help us present one of the premier fine arts festivals in the State of Florida!
